

QUARTERLY IMPACT REPORT

July 24'-October 24'

IMPACT REPORT:

Bringing Hope & Healing to Our Community

At the heart of everything we do is our unwavering mission: to unify partner organizations and bring hope and healing to marginalized communities in the Charlotte metropolitan area. Through intentional collaboration, we strive to create lasting change.

Strategic Focus >

Our efforts this quarter centered around strengthening the core values that define our mission: ***Cross-Collaboration***, ***Trustworthiness***, and ***Accountability***. We have seen these values come to life through our impactful initiatives and events that not only serve the community but also inspire others to join us in our mission.

"BE THE CHURCH"

*Activating the Body of Christ
in Service.*

The *"Be the Church"* campaign was designed to activate the body of Christ in meaningful action. By engaging members of Moments of Hope Church, we encouraged them to connect with service opportunities that allowed them to be the hands and feet of Christ in their communities. Throughout the campaign, we highlighted individual service stories in a weekly **September Service Spotlight**, showcasing the difference one person can make. The campaign culminated in a **Connect Fair**, where **11** of our partner organizations were on hand to meet and engage with church members. This event was a powerful reminder of the collective impact we can have when we come together.

CROSS-COLLABORATION

Building Bridges to Learning

One of the most inspiring moments this quarter was our *Building Bridges to Learning* event, which truly embodied the spirit of collaboration. With the help of **102** volunteers, we served **286** families by distributing **602** backpacks and providing **411** sets of school supplies to students in need. The event welcomed over **800** individuals, creating an environment of support and encouragement as families prepared for the new school year. This cross-collaborative effort not only addressed immediate needs but also strengthened the bonds between our partner organizations and the communities we serve.

A STORY OF COLLABORATION:

Strengthening Our Impact Together

This quarter, **City of Hope** has witnessed the incredible power of collaboration, as numerous partner organizations came together to serve our communities more effectively. These partnerships have allowed our partners to expand their reach, provide essential resources, and create meaningful experiences for individuals and families across multiple neighborhoods.

Progressive Baptist, who shared their vans with Learning Help Center for field trips, ensuring that students had safe and reliable transportation to enriching experiences. This seemingly small act had a profound impact, allowing children to explore new environments and engage in learning outside of the classroom.

Vizion Church played a pivotal role in deepening outreach in neighborhoods such as 1701 City View, Stonewall Jackson, and Cambridge Park. Their passion for service and spreading Christ's love has been instrumental in enhancing support in these areas. Through their efforts, we have been able to touch more lives and build stronger community ties.

A particularly exciting development this quarter was the Lowes Hometown grant, which was awarded to **A Better World**. This grant has allowed them to renovate their computer labs, furthering their ability to provide educational support to children. The collaboration between A Better World and Learning Help Communities extended to a shared adventure, as they embarked on an end-of-summer trip to Atlanta, fostering fellowship and joy among the children.

Faith, Hope, and Love's partnership with SWStem Academy and Movement School continues to grow, with more students joining their programs. This expanding collaboration highlights the importance of shared efforts in providing educational opportunities to underserved children.

Learning Help Communities also benefited from multiple collaborations during their summer camp, working with partners such as the YMCA, youth volunteers from the NC School for Science and Math, the Mayor's Youth Initiative, and Liberty Kids. These partnerships enabled them to offer a rich and diverse camp experience, complete with meals provided by Liberty Kids, and a first-ever reward trip to Atlanta, in partnership with A Better World. This adventure offered not just fun, but valuable time for building relationships and strengthening community bonds.

Each of these partnerships has been integral to our mission, demonstrating the extraordinary outcomes that can be achieved when organizations come together. Through cross-collaboration, we have been able to expand our services, reach more families, and provide critical resources to those who need them most. *Together, we are creating lasting change in the communities we serve, one partnership at a time.*

P2 NEIGHBORHOOD MINISTRY

Embodying the Hands & Feet of Jesus

Our purpose is simple yet profound: to be the hands and feet of Jesus in local communities through intentional engagement. Providence Square (P2) is an extension of Moments of Hope Church. This ministry is committed to meeting people where they are—both physically and spiritually. By actively listening, seeking to understand, and responding to the needs of the community, we build relationships that foster trust and transformation.

This quarter, we deepened our mission of integrating Moments of Hope Church into the fabric of the community, glorifying God by making disciples who know, grow, and go for Jesus. We provided meals, organized activities for families and children, and focused on creating meaningful connections that drew the community closer to the church.

PILLAR: READING

Empowering Communities Through Literacy

Partner programs focus on equipping individuals—whether children, youth, or adults—with the skills they need to succeed academically and beyond. By fostering reading as a vital tool for personal growth, we aim to create ripple effects that improve educational outcomes, expand career opportunities, and build stronger, more knowledgeable communities.

PILLAR: FEEDING

Combating Hunger & Promoting Nutrition

Partner programs are dedicated to addressing food insecurity and hunger within communities by providing essential access to nutritious food and education. These programs include food pantries, community kitchens, meal programs for children, food distribution services, urban farming projects, and food rescue efforts aimed at reducing waste and maximizing food availability for those in need.

Nutritional Education	40	20	-	2	-	-

PILLAR: DISCIPLESHIP

Fostering Spiritual Growth

The programs foster spiritual growth and deepening individuals' faith within our communities. Through a variety of programs and activities, our partners aim to enrich Biblical knowledge, cultivate personal relationships with Jesus Christ, and equip individuals to serve as spiritual leaders and mentors. Our discipleship initiatives include mentorship programs, Bible study groups, spiritual retreats, community outreach events, worship services, and leadership development training.

STORIES OF TRIUMPH: *Small Victories, Lasting Impact*

"One of the most touching moments this quarter was seeing a summer camper—a new arrival to the U.S.—embrace her learning journey. With the support of her tutor and our Learning Help Center family, she has found the courage and confidence to succeed in a new school environment. Her perseverance inspires us all."

"It has been truly inspiring to witness the growing participation from parents in our monthly meetings. We are seeing firsthand the power of community as families come together to support their children's journey."

NEIGHBORHOOD HOPE

"Our students have been working so hard, and their progress in i-Ready is a testament to their resilience and determination. Little by little, their reading scores are improving, and every small victory is a reason to celebrate."

BetterWorld

"This quarter, our mentoring program has flourished, offering boys a range of enriching experiences—from gym workouts to etiquette lessons and beach trips—broadening their horizons and nurturing personal growth like never before."

"One of our greatest joys this quarter has been working diligently with students at Brookstone, especially those with learning disabilities. Our goal is to ensure they not only stay in school but thrive. We are eagerly awaiting the success stories that are already in the making."

FAITH, HOPE & LOVE
MENTORING PROGRAM

"The seniors in our community have expressed their gratitude for the healthy meals provided through our food distribution programs. Knowing that they are eating better and feeling healthier fills our hearts with joy and purpose."
